PRIYA RAMAN

Lisbon, Portugal · priya.raman@example.com · priyaraman.example

Product designer who moves comfortably between research, interaction design and front-end prototypes.

EXPERIENCE

Senior Designer, Brightfold — 2020 – present

- Lead designer for the logistics planning tool used by dispatch teams.
- Set up a research repository and a monthly customer panel.
- Prototype in code to test interactions with real data early.

Interaction Designer, Oakline Mobility — 2017 – 2020

- Designed the driver app's trip flow and offline states.
- Partnered with support to turn top complaints into a quarterly roadmap.

EDUCATION

BDes Interaction Design, Tagus School of Design — 2017

SELECTED WORK

Dispatch planner redesign · Offline-first driver app · Brightfold design language
